

WiFi 6

MPTUTM100 SMART WIFI 6 ROUTER

- IPv6 Ready
- WPA3 Security
- Wi-Fi 6 AX3000
- Gigabit Ethernet Hardware QoS
- Parental Control
- MPT Mobile App

DUAL BRAND WIRELESS ROUTER

Experience ultra-fast and stable connectivity with the MPT Dual Brand Wireless Router, designed for seamless streaming, gaming, and smart home performance. Featuring next-generation WiFi 6 technology, advanced WPA3 security, and powerful dual-band coverage for modern networking needs.

SPECIFICATIONS	
Wireless Standard	WiFi 6 (802.11ax)
Dual Band	2.4GHz + 5GHz
Antennas	4 x High Gain
Processor	High Performance
Memory	Embedded Memory
OS	Optimized for High Performance
Security	WPA/WPA2/WPA3
Protocols	IEEE 802.11n
Ports	2 x 10G SFP
Dimensions	180 x 180 x 180mm
Access Point Mode	Supports
Operation Mode	Wireless Bridge Mode
Hardware Acceleration	Hardware NAT Acceleration
Fail Support	Fail Backup (Optional)
Mobile App	MPT Mobile App Support
Bandwidth Management	Manage Router Anywhere
Device Monitoring	Real-time Device Monitoring
Analytics	Network Usage Analytics

FASTER . STRONGER . SMARTER CONNECTION

Wi-Fi 6

- Features:**
- Dual core ARM cortex A9 1.2G Hz
 - Integrated S5E PHY, one RGMII
 - Support WiFi AP mode
 - POE function can be customized

- Supports 6 GE MACs, 1000M/100M/10M rate mode and standard PoE assistance
- Supports IEEE802.11a/b/g/n/ax wireless LAN communication protocol

- Supports WPA, WPA2, WPA3 encryption and decryption
- Made in China

MPT
Technology platform

Support Dual-Brand 2.4G 40M 2.2-5G160M 2.2 DBDC WiFi

Made in China

尺寸: 300x285x55mm
